All companies that purchase tickets will be supporting the Victorian Volleyball State Team and of course, will still be rewarded. Volleyball Victoria will promote all companies that participate in this raffle through a number of avenues including:

Victoria will be competing at the Australian Junior Volleyball Championships (AJVC) in Perth in July, 2010. These Championships are the highlight of the National Junior calendar whereby Australian States compete for the medals in six division and the overall President's Cup (top state in Australia), which the Vic's have won in the past, and would like to bring back home in 2010!

Victoria will have 99 players competing in the Championships across 10 teams, plus around 30 coaches and officials. They will be represented in each available division of Under 17, Under 19 and Under 21.

It costs in excess of \$280,000 to compete in the AJVC, which the players are required to pay a \$2590 State Team Levy to cover this cost. As you can see, sponsorship plays an essential role in the success of the team.
